You must be in line to turn in your stamped ticket by 5:00 pm to draw your cards (cards will not be accepted after 5:00 pm arrival). Play as many hands as you like or split hands with a friend or a group of friends. Play more, have more of a chance to WIN and have more fun!!!

Each stop will have a unique stamp. You must receive five unique stamps on the reverse of your game card for a valid poker hand. You will increase your chances of a better poker hand if you get your game cards stamped at ALL stops. The best five cards will be used to make a poker hand. To receive a stamp, you may travel to a Poker Run Stop by any mode of transportation (boat, car, motorcycle, or bus!). You may also have your ticket taken to a stop for stamping by someone you designate. The last time to receive a stamp at any of the stops is 4:15 pm. Upon completing the game card, return to The Dock where you will draw either 5 or 6 cards (depending upon the number of stamps on your ticket). We will record your best poker hand. Final results should be tallied by 5:30 pm and the results will be announced immediately. All decisions of the Poker Run Committee are final.

Krewe of Selene reserves the right to cancel the poker run due to unforeseen circumstances.
